

Booking a Churches Conservation Trust Church for your Event Scale of Charges

Thank you for choosing a Trust historic church for your event. We hope it is a great success and we will do what we can to help. We are pleased that this historic building is going to be put to good use. If the church meets your needs you may like to recommend it to others.

Our aim is to conserve the historic fabric and steadily improve the facilities in our churches over time. Not surprisingly, this costs a lot of money and we rely on donations and charges to users to be able to keep our churches open.

Our churches have been banded into 3 levels of hire charge. To find out which band the church you would like to book belongs to please talk to the Trust's church representative.

Our current scale of charges is set out below. This is a minimum guideline, for a more detailed fee please contact the church's representative. Thank you for your support.
