### **Purpose of the job**

The Business Support Officer will provide comprehensive, proactive administrative support to the Head of Region and regional management team, enabling them to undertake their tasks effectively and efficiently.

The post holder will be responsible for regional and national administration including information and financial processing and the coordination of the regional office.

### **Key duties and responsibilities**

#### **a) Head of Region and Regional Management Team support and coordination**

The Business Support Officer will provide administrative support to the Head of Region and Regional Management Team enabling them to make informed business decisions. The postholder will proactively support needs and will:

- Develop and maintain efficient systems to ensure that all relevant information is readily available.
- Collate information and report on performance on a monthly, quarterly and six monthly basis.
- Plan and ensure practical arrangements for regional management team meetings are in place.
- Ensure the agenda and supporting papers for regional management team meetings are produced, collated and distributed to agreed deadlines.
- Produce meeting minutes as and when required.
- Provide administrative support to the Head of Region.
- Contribute and support regional and national projects as agreed.
- Act as a key point of contact in the region, dealing with enquiries or ensuring they are assigned to the relevant individual and resolved.
- Manage the events booking process in the region and support the regional team to maximise event and income generation.

## **b) Information management**

The Business Support Officer will act as the regional knowledge and information management champion and ensure information and data flows within and across the team and within the Trust. The postholder will:

- Support and assist regional colleagues to maintain and update information and data on central systems, including databases (CRM), the shared drive and the website working with national teams to ensure consistency, reduce duplication and improve accuracy.
- Maintain regular and on-going liaison with the regional team and national office to ensure effective communications, act as a 'regional hub' for the dissemination and retrieval of information.
- Participate in national working groups to ensure systems are in place, decisions enacted and quality maintained.
- Champion effective knowledge management and sharing within the region and throughout CCT.
- Maintain accurate and up to date physical and electronic records, following agreed protocols and systems.
- Support the induction and training of new staff on information management systems and procedures.
- Working with the regional management team assist with the preparation and distribution of regional performance reports as required.
- Monitor and report on the regional travel and expenses budget.

## **c) Regional office coordination**

The Business Support Officer will play a key role in ensuring the smooth and efficient running of the regional office and will:

- Respond to and liaise with the national office concerning information requests, public enquiries and all other relevant information requests regarding the region, ensuring excellent customer service in all areas.
- Ensure the efficient functioning of the regional office facilities, premises and equipment.
- Add administrative capacity to the team by managing office and home based volunteers.
- Coordinate the office
- Budget reporting
- Act as the office first aid appointed person and fire marshal lead
- Undertake any other administrative tasks reasonably required

## **d) Administrative lead on national initiatives**

The Business Support Officer will support the Head of Region, West with their national responsibility in implementing the Health and Safety Policy and will:

- Prepare and distribute Health and Safety performance reports.
- Support colleagues to provide information in a timely manner.

This job description is not all encompassing. Over time the emphasis of the job may change without changing the general character of the job. Your duties may be reviewed from time to time and revised and updated in consultation with you to reflect appropriate changes.
